

MS. GEEK GHANA 2020 APPLICATION FORM

PROBLEM STATEMENT

The Ministry of Communications aims to show individual girls and ladies can develop IT based concepts and solutions to address social issues and to encourage Girls and Women in Ghana to pursue careers in technology, science, mathematics and engineering within 5 years.

Applicants are to:

- Identify a problem in any sector of the economy or during this COVID-19 crisis period
- Recommend an innovative technological solution for the identified problem, and
- Develop a Concept Note on how the technological solution will solve the issue identified bearing in mind limited access to internet/smart devices. Include possible challenges or gaps.
