

PUBLIC NOTICE

MINISTRY OF COMMUNICATION, DIGITAL TECHNOLOGY AND INNOVATION (MoCDTI)/WORLD BANK

EARLY MARKET ENGAGEMENT (PRE-BID SUPPLIER BRIEFING)

The Government of Ghana, through the Ministry of Communication, Digital Technology and Innovation (MoCDTI) with financing support from the **World Bank**, is preparing for the following Project

Project	Description
1	Last-Mile Connectivity to Selected Unserved Areas and Rural Community Information Centers (CICs)

As part of the procurement process, the Government will hold an **Early Market Engagement (Pre-Bid Supplier Briefing)** to provide potential suppliers, vendors, and technology partners with preliminary information on the upcoming procurement, outline the project objectives, and receive feedback from market participants.

The session will Provide an overview of the project scope, procurement approach, and expected deliverables.

- Present the Government's vision for the listed Project above
- Clarify regulatory and compliance requirements under World Bank and Government of Ghana procurement guidelines.
- Consider cost/value impacts, benefits and risks of possible solutions for the listed project(s)
- Offer Government an understanding of market capacity, capability and trends
- Offer participants the opportunity to seek clarifications before the release of official bidding documents.
